Ankawa, Erbil, Iraq

ABOUT

I am a passionate Junior Web Developer with a solid foundation in HTML, CSS, and JavaScript. I strive to create visually appealing and user-friendly websites using modern design principles and front-end frameworks like Tailwind CSS. With experience in content management systems and version control, I possess strong problem-solving abilities, attention to detail, and a dedication to staying up-to-date with industry trends. I am eager to contribute my skills and collaborate with a dynamic team to create exceptional web experiences.

SKILLS

- **Technical:** HTML/CSS, Tailwind CSS, Bootstrap, JS, React, MySQL, C#, C++, Firebase
- **Soft skills:** Time management, Team Player, Work Ethic, Problem Solving

EDUCATION

Front-end development Bootcamp at Re:Coded

September 2022 - January 2023

Bachelor's in Computer Science at Bayan University
